AMENDMENT AND REQUEST FOR RECONSIDERATION UNDER 37 CFR §1.111

Commissioner for Patents  
Washington, D.C. 20231

Sir:

In reply to the communication dated September 5, 2002, applicants request that the above-identified application be amended and reconsidered in light of the remarks that follow

In the claims

Please enter the following amended versions of claims 1 and 12 into the record. A marked-up version showing changes made is appended.

B1  
1. (Amended) A method for treating an autoimmune disorder, comprising administering to a subject having an autoimmune disorder a therapeutic composition comprising a pharmaceutically acceptable carrier and at least one antibody to a B-cell antigen selected from the group consisting of CD22, CD20 and CD19.

B2  
12. (Amended) The method of claim 1, wherein said B-cell antigen is CD20.
